2 Popis Gardens

By design this property provides the occupier with sole use comprising of a double bedroom, bathroom, kitchen/diner and lounge, including a secure garden area to the rear.

3 Popis Gardens

Shared living for three people with two en-suite bedrooms and a large family bathroom, shared lounge and kitchen/diner with conservatory leading out to garden area.

4 Popis Gardens

Shared living for three people with two en-suite bedrooms and large family bathroom, shared lounge and kitchen/diner with conservatory leading out to garden area.

Ware, Herts

Just 20 miles north of London, in leafy Hertfordshire, Ware is a popular riverside town close to the county town of Hertford.

As a historical market town, some of the buildings along the High Street date back to the 14th century. Places of interest in the town include Ware Museum, Ventura Wildlife's Zoological Gardens, Scotts Grotto, Bluecoat Yard and the Maltmaker Statue.

It's a well serviced town with a good range of sport and recreation facilities, shops, cafés and restaurants. Popis Gardens is a ten minute walk to the High Street.

We will help you

TLC will guide you through the process and help you to get set up in your new home. We'll be with you every step of the way.

Community

Although you have your own living space, it's a shared property so you will feel a sense of community and make friends.

Moving in

Prior to moving in, you will be involved in choosing the decor and furnishings to really make your home your own.

We deliver person-led care and support so that everyone finds their place, chooses their future and makes the best of every moment.

Our Supported Living services can help with:

- Personal care, health and wellbeing
- Managing bills and money
- Getting a job or volunteering
- Learning new skills at home
- Managing medication
- Accessing social activities
- Making links in the community
- Keeping you safe
- Going on trips and holidays

About our organisation

TLC Care and Support was established in 1996 and is dedicated to improving people's lives across Essex, Hertfordshire and Suffolk.

Our highly trained teams provide personal and enablement care so people can live as independently and safely as possible – with all the support needed to achieve goals and empower people towards more independent living.

Our Supported Living services are also designed for people to build community opportunities and establish connections in their local area. We encourage everyone to achieve their goals – tailoring our support to meet individual needs, promote enablement and deliver outcomes.

Packages of support are bespoke to a person's needs, there is support provided 24 hours a day, 7 days a week if required in this scheme.

Enjoying your home, living independently

At TLC Care and Support we help you to become more independent. You will be encouraged and supported to take care of the every day duties of living in your own home, from keeping your house clean and tidy to laundering your own clothes.

Your new home will be equipped with everything you need to enjoy your home and live independently including new, modern cooking facilities, spacious areas to relax in front of the TV, excellent bathroom facilities and additional security technology.
